Camps for Ages 2-5

Camp	Ages	Cost \$	Date and Time
Superhero Camp Kinetic Discovery "Camp"	3-5	\$ 58.00	JUNE 21-24 Monday, Tuesday, Wednesday, Thursday 9:15am - 10:30am each day
<p style="text-align: center;">One of our most POPULAR Kinetic Discovery classes condensed into a four-day, action-packed summer camp! Kids learn about different superheroes and what makes them so super (hint: it's NOT their superpowers). The kids also get to make their very own superhero costume complete with CAPE, T-SHIRT, MASK, ARM BANDS, & INSIGNIA.</p> <p style="text-align: center;">We will learn the superpowers they use to do their good deeds, and we will use our imagination and bodies to "mimic" these. They will get stronger, more agile, and most importantly.....MORE CONFIDENT! They will finish the course feeling more SUPER about themselves.</p>			
"Moving and Messy" ART CAMP	3-5	\$ 29.00	JUNE 28 and 29 Monday and Tuesday 9:30am - 11:00am each day
<p style="text-align: center;">One of our newest (and "funnest") Kinetic Discovery classes. In this class kids are allowed to express themselves through numerous, CREATIVE art projects as well as spend LOTS of time in the gym improving AGILITY, STRENGTH, BALANCE, TUMBLING, and much more! We get MESSY! We have FUN! They get to build their imagination and artistic skill AND they build agility and CONFIDENCE!</p>			
Bugs and Insects Kinetic Discovery "Camp"	2-4	\$ 58.00	AUGUST 9-12 Monday, Tuesday, Wednesday, Thursday 9:15am - 10:30am each day
<p style="text-align: center;">Creepy, Crawly, Buzzing, Flying.....Oh My! What kid isn't fascinated by the bugs and insects they see outside? In this Kinetic Discovery class we get HANDS-ON (Oh My!) with the subject. There are live bugs in EVERY CLASS. The kids learn what makes them special and how to identify what they encounter. Did you know a cricket breathes through its skin? The kids in this class will be there before it's over! And we play in the gym using our imaginations to pretend to be different insects. Kids are "BUGGY" about this course. They leave more knowledgeable, more skilled, more agile, and more CONFIDENT!</p>			
Dinosaur Kinetic Discovery "Camp"	3-5	\$ 58.00	AUGUST 16-19 Monday, Tuesday, Wednesday, Thursday 9:15am - 10:30am each day
<p style="text-align: center;">Does your child describe themselves as PLANT EATER or MEAT EATER? They will LOVE the Dinosaur Kinetic Discovery "Camp." It's our 6-week Kinetic Discovery class condensed into this 4-day PREHISTORIC ADVENTURE. When did they live? What did they look like? How big were they? What happened to them? What's a fossil? They will also learn the specifics about several species. Plants or Meat? Where in the world did that one live?... We will make our own "fossils" and "dinosaur feet." We use the gym to act like our favorite dino...becoming STRONGER, MORE AGILE, and most importantly.....MORE CONFIDENT!! They will finish the course as little dinosaur dynamos. Stronger, more agile, MORE CONFIDENT! PREHISTORIC PRESCHOOLERS!</p>			

PRE-REGISTRATION IS REQUIRED. CALL OR COME BY TO RESERVE YOUR CHILD'S SPOT TODAY. SPACE IS LIMITED!
